Please,

Check and see if they are listed here first...

http://www.xoops.net.br/index.php?tit...opswiki2:Community_Portal

if not,

They can be added either on the community portal list or or the [

<http://www.xoops.net.br/index.php?title=ThemeTemplates> ThemeTemplages] page

Feel free to add a theme button exchange page if you wish... This is a end users community wiki, just use it!

I don't know of any other "list" of theme builders.

So Please help complete this list.
