Glossary: http://www.xoops.net.br/index.php?tit...sary_S#SiteAdministration

Direct link:

<http://xoops-end-user.com/xoopshelper/help/SiteAdministration.htm>

GO TO:

Debug mode

*Several debug options. A running website should have this turned off.

Drop down menu - Select Smarty Templates Debug - gives you a complete list of smarty templates your site is using.

hope this helps
