Hello Giba All ...

Something new ?

Yes.

Quote:

I still with a tmp solution for importing/sending

is there a decent English translation for Xmail ???

Sorry, my native language portuguese not english.

Is the new version out already ?

No, i sending for tem beta.

You can register in [XOOPS Brasil](#) and MP for Giba.

You receive beta version RC4 for tests.

Does it send/import users in packets without crushing ???

Someone ?

??

?

..

No understand, sorry.
