I still can't find any XOOPS sites rated better or even equal to xoops.org

<http://www.frxoops.org/> **PR6**

<http://www.herve-thouzard.com/> **PR5**

<http://www.xoops.net.br/> **PR5**

<http://www.xoops.net.br/> **PR5**

There are loads of XOOPS sites rated at **PR5**.

And what about hi-traffic sites?

Do you know any of the sites with for example user forum at least of the same activity as xoops.org?

Or Alexa ranking in 50000?
