Sorry, support site is down, but you can send your message in forum:

<http://www.xoops.net.br/modules/newbb/viewforum.php?forum=10>

Support XOOPS brazilian and you message in english is welcome, not problem.

About module rwbanner, yes, dev continue. Look please version <http://www.xoops.net.br> and next generation about laught here version XOOPS 2.0.17

We team waiting version official XOOPS here 2.0.17 and after mescla with version by team xoopers.

Thanks all

ps:Next generation module rwbanner is incredible.

[Version 2.0.17 in andament for core team official](#)
