BS please my friend, Catz leaves to rest. If it to want to carry through something will go to have the support of some here and mine also. But without politics, only with work as always.

We go to lock up this subject yes?

in portuguese.

BS por favor minha amiga, Deixe Catz repousar. Se ele quiser realizar algo irá ter o apoio de alguns aqui e o meu também. Mas sem política, apenas com trabalho como sempre.

Vamos encerrar este assunto sim ?
