@BS - If you it will be able to return wiwimod to demonstrate the use for the staff, would be very good also

Yes,
However I can help.
Everything I do is non-official

I like it that way.
gives me independence to go at my own speed.

Lets put the new alpha test with the mediawiki where we can switch back and forth and see if we can use the same MySQL for both. <http://www.xoops.net.br>
