Hi Sail,

Lets come up with an image of our own that does not infringe or require permission -- something unique to the *Xoops-end-user.com* community.

I'll give it some thought and anyone else with ideas for a colorful free to use for everyone logo is welcome to chime in.

put it in the <http://www.xoops.net.br/index.php?title=BannerPending>

Thanks,

BTW: doesn't my logo look a little like popye the sailor man?
