I would like to invite you to add your name and site 'ad' to the XOOPS End Users list of XOOPS Theme builders.

This is a list I have compiled of persons who do now or have in the past built XOOPS themes.

<http://www.xoops.net.br/index.php?title=Category:ThemeTemplates>

You may use the edit button and add your name and website link, following the existing format.

Xoops is loaded with EXCELLENT Theme builders --

Good luck with your new venture into Xoops.
