Chefry,

I pm'ed you my response since it included the benefit of an ongoing experience I have been having and was fairly lengthy.

[xoops-end-user.com - BlueStocking profile](#)

If you decide to go to my profile above then put 'hypermart' in the search bar on the *right ^Left^ hand side of the page and you may follow the calendar entries that record the invasion events and their eventual solution.

*EDIT CORRECTION: pointed out by JAVesey, on next post. Delete right and insert left.
