1. SITEADVISOR wrote: When we tested www.xoops.net.br website we found links to 180solutions.com, which we found to be a distributor of downloads some people consider adware, spyware or other potentially unwanted programs.:

2. Certified Local Support Sites will not charge a fee for support (or extra support). Donations are fine, but the support is a community effort and should remain free to all users. There shall be no penalties or reduced access to information for non donating members:
